155 912 057 - 1017-T

The tried and tested cover plate with centre screw

The cover plate for numerous applications, compatible among others with our 1011, 1012, 1013, 1014, 1015 and 5016 boxes.

There, they can be fastened to the bottom of the box using the supplied threaded pin and the threaded bushing.

Dial

The cover plates feature a dial that is used to denote installation types (L, K, W, T+T, S, T).

Colours, material

1017 in white, black and brown, Bakelite (halogen-free).

1017-T in white, ABS (halogen-free).

Custom designs

We can manufacture the boxes in a variety of other colours and can also inscribe the lids. We will be happy to assist with any further questions!
