

Cover plates 1080 - 1081

155 900 047 - 1080

155 912 047 - 1081

The tried and tested cover plates

The cover plates for a multitude of applications.

The 1080 screw cap can be screwed to the box with a central screw. It is compatible with the boxes 1011, 1012, 1013, 1014, 1015 and 5016.

For example, the 1081 cover plate fits on our 1061 box, where it can be directly fastened with four corner screws.

Dial

The cover plates feature a dial that is used to denote installation types (L, K, W, T+T, S, T).

Colours, material

White, Bakelite (halogen-free).

Custom designs

We can manufacture the boxes in a variety of other colours and can also inscribe the lids. We will be happy to assist with any further questions!
